

Botanical Name Cross Reference

In 2007 ICIA worked closely with the Tallgrass Prairie Center and the Iowa Department of Transportation to adopt the most current botanical name for each species. The following cross reference lists the former botanical name along with the new one which is used else where in this directory.

Former Botanical Name	Current Botanical Name
Aster azureus.....	Symphyotrichum oolentangiense
Aster ericoides.....	Symphyotrichum ericoides
Aster laevis.....	Symphyotrichum laeve
Aster lateriflorus.....	Symphyotrichum lateriflorum
Aster novae-angliae.....	Symphyotrichum novae-angliae
Aster pilosus.....	Symphyotrichum pilosum
Aster puniceus.....	Symphyotrichum puniceum
Aster sericeus.....	Symphyotrichum sericeum
Aster simplex.....	Symphyotrichum lanceolatum
Aster umbellatus.....	Doellingeria umbellata
Baptisia bracteata leucophaea.....	Baptisia bracteata Muhl. Ex. Ell. var. leucophaea
Baptisia lactea.....	Baptisia alba (L.) Vent. var. macrophylla
Cacalia atriplicifolia.....	Arnoglossum atriplicifolium
Ceanothus ovatus.....	Ceanothus herbaceus
Delphinium virescens.....	Delphinium carolinianum
Eupatorium maculatum.....	Eupatoriadelphus maculatus
Eupatorium rugosum.....	Ageratina altissima
Gentiana flavida.....	Gentiana alba
Haplopappus spinulosus.....	Machaeranthera pinnatifida
(Hook.) Shinnery ssp.	pinnatifida var. pinnatifida
Helianthus laetiflorus.....	Helianthus pauciflorus
Hypericum pyramidatum.....	Hypericum ascyron
Iris shrevei.....	Iris virginica (L.) var. shrevei
Kuhnia eupatorioides.....	Brickellia eupatorioides (L.) hammers
Potentilla arguta pursh.....	Potentilla arguta
Pycnanthemum pilosum.....	Pycnanthemum verticillatum pilosum
Solidago ptarmicoides.....	Oligoneuron album
Solidago riddellii.....	Oligoneuron riddellii
Solidago rigida.....	Oligoneuron rigidum
Sporobolus asper.....	Sporobolus compositus (Poir.) Merr. var. compositus
Stipa spartea.....	Hesperostipa spartea

Iowa Crop Improvement Association

*Providing Iowa with quality,
unbiased seed production services*

Quality Assurance Seed

Offering third-party services of recordkeeping, field inspection, seed sampling, lab inspection, and labeling

Certified Seed

Assuring varietal identity and purity of breeder, foundation, registered, certified, and OECD seed

Native Species Seed

Verifying geographic origin of native plants and seeds

Identity Preserved

Documenting desirable characteristics are present in food grade soybean and specialty crops
