## 2009 ICIA Scholarship Recipients

AMES, Iowa - Iowa Crop Improvement Association recognized five Iowa State University students as scholarship recipients at their annual meeting on February 11, 2009. Adam Bierbaum (Griswold), Grace Lockard (Oelwein), Matthew Vandehaar (Altoona), Keaton Krueger (Crawfordsville) received \$1000 scholarships from the association. Katherine Frels (Guthrie Center) was awarded the \$1000 seed science scholarship.

To qualify for an ICIA scholarship, students must be an agronomy major and show an active interest in the seed industry. The seed science scholarship is awarded to a student that also has a secondary major in seed science. Congratulations to all of this year's recipients!
