

Agronomy 522 Summer 2006

All class sessions will begin at 8 AM in 1022 Agronomy. The class will end by noon. Some of the presentations will be in the classroom and others will be made in the field. Please notify Walter Fehr (wfehr@iastate.edu) if you need to miss a class, or if you have any questions. Only one absence is possible during the semester to earn a satisfactory grade. A student must participate in the field trip to earn a satisfactory grade.
