4:10 PM - 2050 Agronomy
All Department Meeting
State Of the Department
Presenter: Kendall Lamkey, Chair, Department of Agronomy

Agronomy Blotter
Happy to you...
Happy Birthday:
• February 25 - Ali Tabatabai
Professor

Alan Ciha
Lecturer
“We should not write so that it is possible for the reader to understand us, but so that it is impossible for him to misunderstand us.”
— Quintilian

Notes
Staniforth Lecture March 5
The 2013 David W. Staniforth Memorial Lecture will feature guest presenter Frank Forcella, Research Agronomist with the USDA-ARS, North Central Soil Conservation Research Laboratory located at Morris, Minnesota and an Adjunct Professor in the Agronomy and Plant Genetics Department at the University of Minnesota and the Plant Science Department at South Dakota State University. Lecture is at 4:10 PM on March 5 in 2050 Agronomy. A reception will be held immediately following the lecture in the Agronomy Commons.
