NOTES

VEISHEA Volunteers Needed for April 20 Agronomy Display
On April 20, 2013, the Department of Agronomy will set up our annual display to interact with the tens of thousands of visitors to VEISHEA. And we need you to provide the human faces of Agronomy.

There are two main shifts during VEISHEA –

- Shift 1
  11:00 AM to 2:00 PM

- Shift 2
  2:00 PM to 5:00 PM

We need faculty and staff to be friendly and knowledgable resources for the largely non-farm visitors to our tent.

If you are willing to participate in the display, please email Tyler Teske with your shift preference.

Happy to you...

Happy Birthday:
