**Notes**

**Fourth Annual Biomass Crop Production Workshop**
The 4th Annual Biomass Crop Production Workshop will be held 8:00 AM to 12:30 PM, March 4, 2014 at the Johnson County Extension Office in Iowa City. Registration and full details can be found at: http://www.aep.iastate.edu/biomass/

This year’s workshop is a joint effort of Iowa State University professor of agronomy Emily Heaton and University of Iowa Utilities and Management Principal Engineer Ferman Milster as part of the Biomass Power Partnership.

The program will focus on Miscanthus x giganteus with special features on invasive potential by Jacob Barney, Virginia Tech University, and the products and services of Repreve Renewables by Jeff Klingenberg.
