Agronomy Blotter

Happy to you...

Happy Birthday:
• April 16 - Maria Salas
  Assistant Professor

Tyler Teske
Dept. Communications

“Education is the ability to listen to almost anything without losing your temper or your self-confidence.”
— Robert Frost

Notes

GPSA Symposium This Week
The Graduate Program in Sustainable Agriculture Symposium will take place on Wednesday, April 16. The symposium starts with a poster session at 2:00 PM in the South Ballroom of the Memorial Union.

At 3:10, the featured speaker is Elena Bennett from McGill University. Her seminar is titled "Ecosystem Services from Agriculture: Designing Multifunctional Landscapes".

Job Posting
Assistant Professor (weed science), Southern Illinois University, Carbondale, Illinois.
