Friday Events – Pancake Feed in Commons, Tree Planting in Courtyard

Pancake Feed
Friday morning, the student clubs will be hosting a pancake and sausage feed in the commons. The students will start serving at 8:00 AM and will wrap up the event at 10:00 AM. Pancakes, sausage, donuts, milk, juice, and popcorn will be available. Costs will be offset by a free will donation.

Linden Tree Replanting
Eight American Linden trees were removed from the Agronomy Courtyard after a tornado in 2006. Rhonda Martin, Dr. Beavis, the Agronomy Undergraduate Student Club (AUGSC) and the Agronomy Graduate Student Club (AGSC) are working together to replant trees on Friday as part of an Arbor Day project. The tree planting will take place between noon and 2:00 PM. Everyone is invited to participate and some refreshments and snacks will be provided.

Happy to you...
