

**IOWA STATE UNIVERSITY SOIL & PLANT ANALYSIS LABORATORY
INFORMATION SHEET FOR NON-SOIL, PRIVATE SAMPLES**

SUBMITTER _____

ADDRESS _____

CITY, ZIP _____

CLIENT _____

TOTAL NUMBER OF SAMPLES _____

PRIOR TO SUBMITTING SAMPLES:

Group samples according to analyses requested, and **list** on a separate sheet. Please **use simple, consecutive sample numbers** to reduce confusion when your samples are assigned lab numbers, and **allow sufficient sample** material for **all** analyses requested. **Please note that there will be no recommendations included with the data reported back to you.**

WHEN SUBMITTING SAMPLES:

Handling fee (\$3.00/ea for **all** samples): _____ X
Drying & Grinding fee (\$3.00/ea for all non-soil samples requiring drying & grinding): _____

CHECK DESIRED TESTS

Combustion Analyses:

(\$3.00 + \$1.00/ea additional)
 _____ Organic Carbon (\$3.00)
 _____ Total Nitrogen (\$3.00)

Inorganic-N (colorimetric)

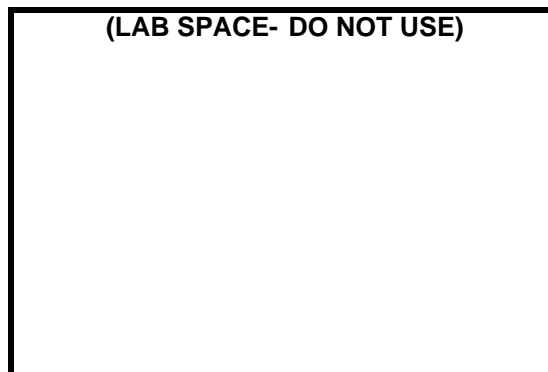

(\$5.00/ea, \$6.00/both)
 _____ NO₃⁻-N (\$5.00)
 _____ NH₄⁺-N (\$5.00)

Other Analyses

(Prices available on request)
 _____ other (list)
 _____ other (list)

Microwave Digestion: Please contact lab personnel for additional information on digested samples.
 (Single analysis: \$10/digestion, \$.50/analyte. Duplicate analysis: \$20/digestion, \$1.00/analyte)

_____ single analysis	_____ duplicate analysis
_____ P	_____ Fe
_____ K	_____ Mn
_____ Zn	_____ Al
_____ Cu	_____ Ca
	_____ Mg
	_____ Na
	_____ other
	_____ other

Additional analyses and special handling techniques can be pre-arranged with the lab. Fees will be determined based on request(s) made. All prices are subject to change.
